ELECTRICAL LICENSE: "A" CLASS

PRODUCTS:

INSTRUMENTS & CONTROL SYSTEMS:

SCADA, PLC, Relay's, Temperature Indicator /Controllers, Universal Scanners, Data-Logger, Thermo-Hygrometers, **Temperature sensor**-RTD /Thermocouples, **Analog and Digital Gauges**- Temperature, Vacuum, Compound, Pressure, Differential Pressure (**Magnehelic**). **Flow meters**-Magnetic, vortex, Mass, Water meter, Digital flow cum Totalizer, Temperature transmitter, Pressure Transmitter, Vacuum Transmitter, Magnetic Float, Level Controller, Level Control system, Level Switch, Cables- RTD's, Thermocouples, I to P Converter, Digital Clock with Master clock.

MEASURING INSTRUMENTS

Temperature calibrator, Pressure & Vacuum calibrators & pumps, Multi- Meters, AC & DC Clamp Meter, Tachometers, Ultrasonic Thickness Tester, Wooden Moisture tester, Stop Watch, Lesser Gun, Single Probe Temperature Thermometer, Data Loggers, Temperature & Humidity Hand show data logger, Dew Point Meter, Dial Thickness Gauge, Vernier calipers, Glass Thermometer, MA- MV Meter, Spark Tester, Vibration Meter, Sound Meter etc.

ANALITICAL/LABORATORIES- INSTRUMENTS

*On Line Conductivity Meter & PH Meter, Sensor, Portable Instrument's, transmitter & DO, Online Dew point apparatus etc.

ELECTRICALS:

Electrical contractor, MCBS, MCCB, Energy Meter, UPS, Volt Meter, A meter, Switches, Modular Junction box, Panels & Cables, Coil AC & DC, Timer, Batteries, Inverter, Emergency light, UV Light & intensity monitoring system Limit switches, SSR (solid state relay), SMPS, Cable, Motor, Starter, FLP

Light's , FLP Telephone , FLP Exhaust Fan, FLP Motor 's , FLP JB, FLP Sensor ',etc.

SAFETY:

Fire Alarm System, CCTV, Smoke Detector, Hotter, MCP, Door interlocking system, Accesses control system , PA system, and Gas detectors- Oxygen,Hydrogen,CO2,Ammonia system etc.

UTILITES:

All types Air Filter & Water, Pneumatic Systems fittings & tube, Air Filter Regulator, N2, H2 Regulator Rota meter, etc.

VALVES:

Solenoid Valve, Actuators, Pneumatic Valve, Auto drain Valve, Control valve, Ball valve, Globe Steam valve, Butterfly Valve,

WORK EXPERIENCE:

10 Years experience in automation, Instrumentation and Electrical Engineering field and also Individual Plant Handled in Pharms API Industries, project, commissioning, erection, Planning, Material Indenting, Facing of WHO Geneva, Who India audit & Many Internal, external, corporate audit. Good practice in documents, calibrations, PM, weights & Measurement Department, Utilities, Maintenance, Safety & Water Systems,

FACILITIES & SERVISSES:

1. AMC.
2. Automation & Control system.
3. Repairing.
4. Project designing & Documentation.
5. Project work of Electrical and automation including Cable lying, Installation, Fabrication & fixing work.
6. Calibration & Verification.
7. HT & LT Electrical Project's

PROJECTS COMPLETE INSIDE ORGANIZATION

AARTLSUREACTANTS LIMITED:

1. Complete door Interlocking system 2,3 & 4 Door Interlocking system's
2. Accesses control system's
3. PA SYSTEM OF AHUJA Installation commissioning with Pegging system & Microphone Ahuja SPA 15000, SSA-7000 & SSA-10000 amplifier with Horn & commercial horn speaker .
4. Electrical cable laying of Instrumentation control systems, Lighting's Panel's, motor & all type of LT Cable laying work, Termination, fixing of JB, Lighting, Sensor's controller and HT Panel control wiring of Surfactants plant.
5. Complete fabrication work of electrical cable tray's laying and fixing.
6. We are supply and continually maintenance work in electrical, Safety & Instrumentation dept.
7. Suppliers of Electrical, Electronics & safety and other

UNICAHAM LABAROTRIES LIMITED:

1. PA System's
2. HYDROGEN & Oxygen Gas analyser system installation & Testing of QCD.
3. Suppliers electrical & electronics good's

SYMBITEC PHARMA PVT LIMITED UNIT-I & II:

1. Installation of hydrogen ,oxygen & helium transmitter of Unit-I & II
2. Instrumentation control system project completed in SEZ-II including controlling of door system, Data logger's, sensor's and all control and Pneumatic valve with scada and PLC's.
3. Fermentation Reactor 's 35KL and 10KI control wiring ,Panel & PLC wiring with all valve and pneumatic control system.
4. We are supply and continually Maintenance work in Instrumentation Dept.

SRF LIMITED

1. We are Project work completed with 3500Mtr. LT cable Laying and Electrical panel wiring & controls system.
2. Electrical & Instrumentation Maintenance work in SEZ -II Unit.
3. Maintenance work in electrical, Safety & Instrumentation dept

JBM AUTOMOBILES UNIT-I & II

1. Complete project of IT Gun 35KVA, 75KA, 54KVA, 36 KVA & Fixtures Installation with structure Column Beam support with electrical panel and control panel.
2. Utility project cable laying, fabrication work includes cable tray & fixing, cable laying and complete terminating with commissioning.
3. 3M Ton Lift repairs, fabrication of structures wire rope removing and control section wiring installed.
4. Gas line project with IT Gun installation & commissioning, with fabrication & structure.
5. Electrical & Instrument Maintenance work.

ENALTEC PVT LTD

1. Electrical & Instrumentation Maintenance work.
2. Tank Level control system.
3. Access control system.
4. CCTV IP system.

5. AC. Maintenance system's
6. Water flow meter installation.
7. Suppliers, of electrical & electronics good's

THINQ PHARMA

1. Electrical & Instrumentation Maintenance work.
2. Complete project of Fire alarm system with Honeywell system Sensor's
3. FLP Lighting Installation & supply with control system.
4. Door Interlocking system.
5. Suppliers, of electrical & electronics good's.

SUN PHARMA DEWAS

1. SUPPLY & Installation of Magnetic flow meter.

MUDAR INDIA EXPORTS (SEZ-I):

1. Completely Electrical project including Lighting, DB Cable ,Laying Street light ,Panel Light ,Flood light , cable laying Fabrication work, control system with Material
2. Electrical & Instrumentation Maintenance work.
3. CCTV ,AC & OTHERS
4. Supply & Electrical & Electronics Goods.

PSA CHEMICALS & PHARMACEUTICALS PVT LTD

Complete Project under Adarsh Electrical of Electrical, Instrumentation and fabrication work.

GEPACK:

Complete Project under Adarsh Electrical of Electrical, Instrumentation and fabrication work.

MICROVISION HOSPITAL (BHURHANPUR):

Completed Project with Fire Alarm system including 8 wings, 900 Addressable smoke detector approx 500 devises Hooter, MCP & Isolator, and 2 Nos. Repeater Panel & 2Nos Main Panels' 4 Panels with under M/s. Artee Flow control's Pvt. Ltd.

NAVIN FLUORIN INTERNATIONAL LIMITED (Dewas):

1. Cable lying & of Instrumentation & control system 35 kilometre & Cable termination of cable approx 5000Nos. for Pneumatic control valve ,rectors sensor ,Flow meter ,RTD ,JB and other control system. With 35 Main power.
2. Fabrication of cable Tray FRP.

AJANTA PHARMA LIMITED:

1. Complete Project of 85 HVAC & AHU System electrical control system's
2. Complete project of DG & utility area cable laying and Termination with controlling of panels.
3. Complete project of QCD lighting, DB and other Instrument cable Laying Installation commission.
4. Now project in Running.

INDIA NETS LIMITED:

1. Supply & Electrical & Electronics Goods.

CANDER TEXTILES PVT LTD:

1. Supply & Electrical & Electronics Goods

IPCA LABORATORIES LIMITED:

1. HT & LT Cable laying Installation of lighting, cable tray & fabrication work in side Pithampur Plant.

Thanks and regards:
